There they are reunited with Shardlake's former assistant Jack Barak. The three find layers of mystery and danger surrounding the death of Edith Boleyn, as a second murder is committed. And then East Anglia explodes, as peasant rebellion breaks out across the country. The yeoman Robert Kett leads a force of thousands in overthrowing the landlords and establishing a vast camp outside Norwich. Soon the rebels have taken over the city, England's second largest. Barak throws in his lot with the rebels; Nicholas, opposed to them, becomes a prisoner in Norwich Castle; while Shardlake has to decide where his ultimate loyalties lie, as government forces in London prepare to march north and destroy the rebels. Meanwhile he discovers that the murder of Edith Boleyn may have connections reaching into both the heart of the rebel camp and of the Norfolk gentry . . .
